

CASTAWAY PICNIC | CASA DEL MAR

CASTAWAY PICNIC

A romantic dream comes true.

You will depart Casa del Mar and cruise through some of the 99 islands of Langkawi viewing the dramatic limestone cliffs. You will have the opportunity to stop at the Lake of the Pregnant Maiden to learn about this mysterious legend.

Your crew will then pick you up and take you to a beach on a remote island complete with picturesque tent with flowing nets and comfortable cushions. Right beside you is a gourmet picnic, (hopefully the person of your dreams) and mini bar of your choice. Swim, sunbathe, sleep and enjoy a day together.

Your Castaway Picnic includes private boat transfer, picnic basket, tent set up and is priced at RM 600 per couple.
