### **THE LOCATION**

Casa del Mar Langkawi is located on Pantai Cenang beach and can be set up for just the two of you or up to 30 guests. No matter what the size is of your celebration, you will be offered personal service with an attention to details.

### **WHERE THE CEREMONY IS HELD**

The official part of the ceremony is located in Kuah at the Marriage office. Most couples elect to complete these formalities in the morning prior to an afternoon beach wedding. We can offer you a number of different sites to conduct your wedding such as the beach, under the patio or within coconut grove as the sun sets.

### **ROOMS & NUMBER OF GUESTS**

Depending on the size of the group, rooms will be required to be booked for a minimum of three nights stay. If your group is between 20 – 30 guest and you require tents on the beach, a minimum of 10 rooms are required for a minimum of three nights to reduce disruption to other guests. If you have a small group such as less than 20 guests for a sunset ceremony and small dinner in the restaurant, then there is more flexibility with this requirement as your reception should not disrupt other guests. (Refer our condition) In general, the resort can only cater for a maximum of 30 guests either for a stand up or sit-down degustation dinner with tables.

### **GETTING HERE**

Access to Langkawi by air mainly from Kuala Lumpur, Penang or Singapore.

Access via ferries are available as well from Penang, Kuala Perlis, Kuala Kedah and from Thailand, Koh Lipe and Satun.

Please check with your vacation planners on any chartered flights or new schedule airlines that fly directly to this magical island.

### **LANGKAWI SOLEMNIZED WEDDING**

When you arrive in Langkawi you will be called upon to arrange a meeting with the Commissioner of Oath to discuss your wedding. You will then be transported to the Registration office with our wedding specialist to submit all relevant documents and an interview with the Commissioner of Oath. This can take up to 3 hours as appointments are conducted on a first come first serve basis.

On the eve of the wedding our wedding specialist will contact the wedding couple to check if they have any last minute requirements.

On your wedding day you will be transferred to the Registration office where our wedding specialist will submit all relevant documents to the Officer in-charge for the signing ceremony. Please note that formal attire is required for this ceremony, collared shirts and long pants for men and a long dress for women with a scarf or sarong to cover your shoulders is recommended.

### **THE CASA DEL MAR WEDDING**

After the legal ceremony is conducted, a presiding officer is called upon to officiate the wedding ceremony at Casa del Mar. Normally the hotel reception is arranged on the same day of the signing ceremony at the registration office.

Couples most often celebrate this ceremony with family and friends as their official wedding with the sharing of vows and exchanging of rings. This ceremony can follow any format that is desired and we will provide a Casa del Mar Wedding Certificate for you to keep as a memento.

After the ceremony your guests will be conducted to the area where the reception will be. The structure of the reception is flexible and can be tailored to your desires. We can provide a number of different menu formats including 7 course degustation meals.
